ACCEPTANCE: By signing this form you are certifying that all information supplied on this form is true to the best of your knowledge. You understand that all benefits for yourself and your eligible dependents will be provided in accordance with the plan contract. You agree to abide by the terms and conditions governing membership and receipt of health services covered by the plans in which you have enrolled. You authorize your employer to reduce your salary (per IRS regulation Section 125) in an amount necessary to pay for your benefit elections. You understand that your salary reduction cannot be revoked or changed unless you experience a "Change in Status" that allows a change in your election. If you experience a change in status, you may be able to make certain changes to your benefits that fall under the Sec 125 regulation. Your benefit change must be consistent with the status change and should be requested in writing within 31 days of the event. Additional paperwork may be required from you at that time. This signature is also to verify: (1) the accuracy of the information contained on this form; and (2) your decision to elect or decline participation in your employer's benefit plans.

SPECIAL LATE ENROLLMENT RIGHTS: In order for these rights to apply to you, you must state in writing that the reason you are currently declining coverage is because you are covered under other health insurance coverage. You may be able to enroll yourself and/or your dependents in this plan, provided that you request enrollment within 31 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

CHANGE IN STATUS: If you experience one of the following changes in status, you may be able to make certain changes to your benefits that fall under the Section 125 regulation. Your benefit change must be consistent with the status change and be requested in writing within 31 days of the event. Additional paperwork may be required from you at that time.
