

BCN-BRKT-4FT

Galvanized Beacon Extension Bracket

WHERE ENGINEERING
MEETS PASSION.™

The **BCN-BRKT-4FT** allows the mounting position of medium intensity obstruction lights and strobe flash heads to be raised by four feet. Both the upper and lower mounting plates feature industry standard mounting hole pattern. The four inch pipe is double welded on the top and bottom side of the reinforced base plate. Sturdy galvanized steel construction resists corrosion. Mounting hardware is included.
